Please keep the following staff members in your prayers as they are on leaves from our school, Mrs. Bustin, Mrs. Tatlow, Mrs. Bear and Mrs. Effert.

Budget Decisions:

Our enrollment as of the September 30 student count was 564 students from ECS to gr 9. This should be the student enrollment that we will be funded for.

Our Budget process is not complete as we are awaiting the Provincial Budget on Oct. 24th.

Assistive Technology:

We are very happy to share that we will be receiving an addition 30 chromebooks through our district Technology Plan.

Faith Formation:

Our Youth Minister has created a wonderful plan to work with our Jr. High students this year. Please stay tuned.

Working On:

We are currently going through our Accountability Pillar and Survey Results. I will be presenting these at the November School Council meeting.

We have Next Level IT coming to our Christmas this year to video tape it. It will then be available for parents to purchase copies. I do not have all of the details as of yet.

Interviews are this Wednesday and Thursday. We look forward to meeting parents.

We are wondering if School Council would consider purchasing us another bottle filler fountain for our grade 5/4/3 hallway?
