Working On:

We are now taking registrations for next year. ECS students have to be 5 by December 31st.

It is survey time! All parents with students in grades 4-9 will have received an email from STAR Catholic. All parents with students in grades 4 & 7 will have also received a survey from Alberta Education in the mail. Please take the time to fill out these surveys. This information is very important to us.

We are currently working on the school calendar for next year.

We are currently working with Centra Office and our staff to renew many of our Admin Procedures.

The 3 Year Education Plan for Sacred Heart School is now available on our website.

If you are calling to give your child a message for the end of the day, please ensure that you are calling before 3 pm. Also please do not leave these types of messages on our attendance line as that is only checked in the mornings.
